

67 Campbells Road COROBIMILLA NSW

Corobimilla Grain Shed

Storage is hard to find and there are serious premiums to be had selling out of season. Here is an opportunity to secure good 3000T (wheat) storage with ready access to the Newell Highway.

Located 14KM South of Narrandera, the approximately 2Ha block has easy, all weather road train access to the Newell Highway and room to develop additional grain bunkers (STCA).

Being strategically located only a short distance from the Yanco Creek and Coleambally Irrigation Areas, there is a real opportunity to hold both summer and winter crops.
