This stunning freestanding home has been renovated and extended to sheer perfection. Behind a stunning picket fence and the stained timber deck verandah, its weatherboard façade stands proudly and catches your eye from the moment you arrive.

Large rooms, three-metre ceilings, a wide central hallway, and quality laminate floorboards throughout set the tone for a truly remarkable home. The two front bedrooms are generous in size and contain built-in robes from floor to ceiling. The large master features an ensuite bathroom with a luxurious oversized shower and plenty of built-in storage. The family bathroom is sleek with a large bathtub and the stand out features being its incredible fixtures and fittings. The living room situated at the front of the home is a great
