

### 10 Beattie Street TEMORA NSW

3  1 

This three-bedroom home has just been newly renovated. Once entering the home you are greeted with new flooring throughout the home and freshly painted walls.

This home contains a tidy kitchen with neutral colours. A generous living room. All three bedrooms have new flooring and ceiling fans and great natural light.

This home contains two reverse cycle air conditioners so you can live comfortably all year round.

The back yard can be easily accessed via the front gate and with some landscaping and effort could be a very private space.
