Just WOW this home was built with love and comfort in mind, enriched in character this home has been tastefully renovated throughout whilst keeping its original character and charm.

Centrally located in the Leeton CBD, this home is a hop, skip, and a jump to all the local services and Mountford Park.

At the front of the home, you're met with a large veranda, a great space for the morning coffee. As you enter the home you're met with a beautiful wide hallway with polished timber flooring. The master bedroom is large in stature featuring BIR, fireplace, and large double doors opening onto the front veranda.
