

23 Elwin Street NARRANDERA NSW

3  1  3 

This lovely cottage house, located on one of Narrandera's most beautiful streets, has been well maintained for its age. As you approach the property you are greeted with lovely manicured gardens which compliment the house.

It has many gathering spaces, including a living room at the front of the house where you can open the glass doors and watch the world go by, as well as a seating area at the rear.

The kitchen offers a large space, with overhead cupboards and a practical breakfast bar with a tidy layout with the dining room located adjacent to the kitchen.

You will be comfortable all year round with the comforts of gas heating and evaporative cooling.
