Much more than a lifestyle Block

This diverse property is located approximately 35km North of Temora. Access is mostly sealed roads with only the last 4-5km being gravel. This 500acre property is far more than a hobby farm with real potential for producing a variety of incomes from the land. Ideal for families looking for a self sufficient lifestyle and the opportunity to grow your own produce for a family business. The undulating country provides some of the most picturesque views in the district. Ideal for many family activities including bush walks full of local wildlife, picnics over looking the amazing views including the Weddin mountains or climbing the old tree house or the many lichen covered boulders. There is also an existing bike track for the mountain or motorbike
