

## 74 Airport Street TEMORA NSW

This is one of the premier blocks in the estate, located high up the airport end of airport street. It has excellent access to the taxiway and is an easy level block for building.

The Temora Airpark Estate offers the highest level of convenience for aviation enthusiasts and their families. Imagine, having direct access from your home to your hangar to the runway, all within a few hundred metres, in a modern estate layout with all the services and facilities you need at your fingertips.

Features of the Estate include:

? Direct access via taxiways to runways including the recently constructed \$3.8 million runway. The runway is 2040 metres long and 30 metres wide, with 45 metre turning circles on either end.
