

15 Cootamundra Road TEMORA NSW

3  1  1 

Tidy 3 bedroom home, with partially enclosed verandahs out the front and to the side. A carport adjoins the home, so you don't get wet walking from your car to your home in the rain.

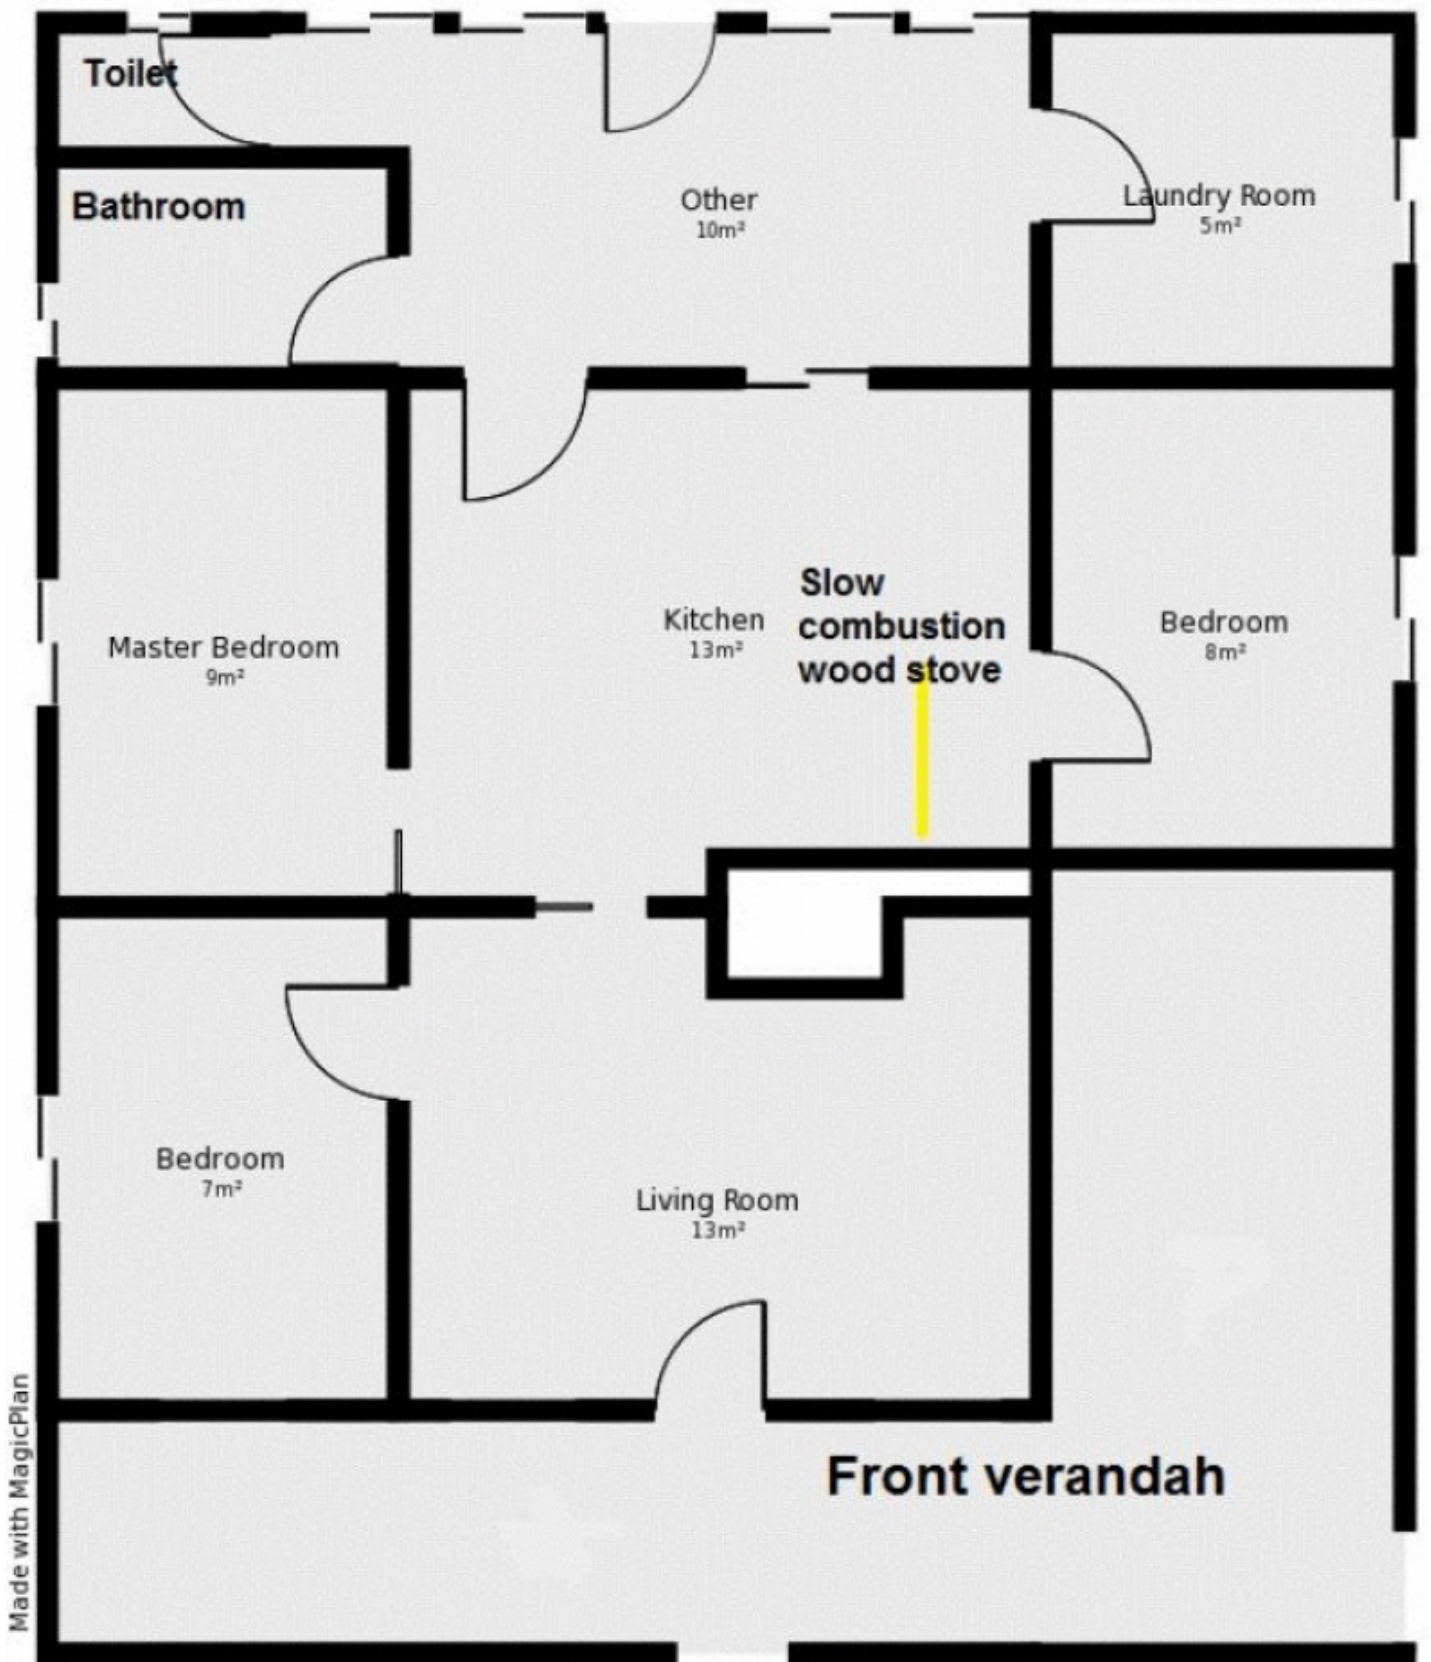

Natural gas is connected as well as a reverse cycle wall unit in the living room. A real feature of this home is the working slow combustion stove in the newer kitchen. Out of the 3 bedrooms, 2 have ceiling fans. The bathroom has a shower, vanity and separate toilet. Hot water is supplied by an Instant Gas System. There is a back lobby area that separates the bathroom and larger laundry.

The large backyard is fenced, with a garden shed and plenty of room for improvements.

Type : House
Price : \$ 100,000
