

1 Bellevue Street TEMORA NSW

3  1 

"Bradford Villa" is situated on the corner of Bellevue Street. It has a lot of potential and is ideal for someone looking for their next project!

The older house has many original features such as pressed metal walls, that could be restored to their former glory.

By utilising the sunroom, this 2 bedroom home could be converted into 3 bedrooms, as the sunroom is currently a second living area.

The family room has outside access and a wall air conditioner. Whilst the kitchen is older, it has newer electrical appliances, and is a larger sized room.

Type : House
Price : \$ 75,000
