QPL Rural are pleased to present to the market, "Urolely Park" Euroley.

Rich in history this idyllic property has the perfect combination of productive legume based pastures among winding creek lines and abundant, diverse natural habitat.

Situated 12Km to the West of Narrandera on the banks of the Yanco Creek, "Urolely Park" is a productive grazing block ideal for cattle and sheep.

The owners have an extensive program of enhancing the native grasses with a variety of clovers and lucernes. The property has been destocked for the last 6 months and has an abundance of spring growth ready for the new owners to utilise.
